Standing Committees

- *Activities:* On the web site.
- *Membership:* We have another new member.
- *Slalom:* Everyone is preparing for the TVR Divisional this weekend.
- *Rally:* None
- *Equipment:* If anyone has seen the shears that were with the magnetic material please get them back to Craig. The idea of a rolling chalk box was brought up again but Mike Cavanaugh is having trouble finding one. We should be more organized with the packing of the trailer so people can find things. It would be nice for the clubs to own a digital sound meter. Mike Cavanaugh has been looking for a nice headset for the starter to use with the radios and it looks to cost about \$200. The people who wanted a timing system for a mud bog no longer want it. Everyone has been pleased with the timing software upgrade.
- *Newsletter:* The lack of a newsletter was brought up again. A suggestion was made to either make a real effort to have one or abolish the newsletter committee.
- *Publicity:* None
- *Merchandise:* Rich has the normal stuff and some TVR stuff.
- *Entertainment:* None
- *Historical:* Jim has not received anything yet for the current year. Please keep the scrapbook and archives in mind.

Special Committees

- *Car Show:* None
- *Site:* Stars tickets were given away.
- *Web Site:* The TVR Webmaster has offered to let someone build a new forum on the TVR site instead of disrupting the TAC site with the updates people have asked for as a place to test things out.
