A Slalom Committee Meeting was had. The schedule was finalized. Mark York went over some of the things that the Committee suggested to be left alone. The Committee suggests to event masters that the event schedule be started 30 minutes earlier and worker positions for novice mentors be created. Some rule changes to create a street tire class and modify how novice class works were discussed and will be voted on at a later date. There was also discussion on if we should continue to include TVR events in the TAC Championship Series.
MOTION – make all of the changes that the Slalom Committee recommended (notes attached) – PASSED (unanimous)
Slalom passes are now on sale. Event masters for 2007 are being solicited.

Slalom Committee Notes

New worker position created called "Instructor". One per run group with selection and duties to be filled in by the event master.

A PAXED street tire class will be created open to anyone on street tires as defined per SCCA guidelines of treadwear of 140 or above.

There will be a "fastest rookie" of the year award with details to be defined by special committee appointed by the slalom chair.

Start times will be pushed back 30 minutes at each TAC event so that first car off the line will be no later than 10:30. Website to be updated to show change.
